City/town information

Istanbul

143 locals recommend

Istanbul has beautiful historical places to visit, gorgeous terrace cafes, restaurants and bars, nightlife and a Bosphorus boat ride to top it all.

Be careful of taxi drivers and always have exact change to give them.

In Istanbul ALWAYS agree to a price before you commit to anything - whether it's a barber shop or a bar.

There are many restaurants in this street serving traditional local food & drink with a fun atmosphere and good outdoor seating.

ROKA Istanbul

HODAN

A big downhill and uphill trek from our apartment, but when you get here you'll love the outdoor garden vibe and the delicious gourmet food. It's a bit expensive, but in our opinion it's worth it.
